

Mr. Bryan Fischmann,

Applicant would like to thank the primary examiner for the patience observed concerning this application. Applicant is doing the application process alone, so errors that occur such as in the last amendment aren't realized by the applicant until after the fact. Applicant appreciates the primary examiners help, and asks for any recommendations that would better my application – (claims, etc.)

very respectfully,

Matthew Gomez

Mr Bryan Fischmann,

I replied to the last Office communication  
within the one month period set from the  
communication dated the 16<sup>th</sup> of March.

I express mailed my response by the 15<sup>th</sup> of  
April but it was returned, receipt sent to  
you. I'm sorry about the mistake - but I  
had sent a letter to the same address not long  
ago (Feb 05) and it was not returned.

But here is my reply to the communication express  
mailed again — but on time.

Thank you very much.

Matthew Gomez
